

Downe House

Global Schools' Exchange COVID CARE AGREEMENT

This agreement is a promise of the provision of care for Global Schools Exchange Programme students travelling abroad on the programme 2021/22 and will be based upon HMG guidelines.

Downe House School:

- Downe House students and their immediate families will be double vaccinated. Proof of vaccination status will be posted to our internal portal (Global Gateway) and provided to the partner school.
- Downe House ask that all students and visiting students test 3 times a week using Lateral Flow Tests supplied in boarding houses. Downe House students will take their own supply with them on exchange.
- Downe House parents will book flights and provide a full COVID travel insurance policy whilst their daughters are on exchange at a partner school.
- Downe House and Downe House families will follow all government guidelines at the time of the exchange as hosts.
- If a visiting student should contract COVID, Downe House provide a fully staffed quarantine house that allows students to stay on site; participate in lessons on-line; meals; WIFI and outdoor space.
- Downe House provide an on-site staffed medical facility for any student that is unwell with COVID-19.
- Downe House global exchange staff will be on-call for any communication from the partner school when their students visit Downe House.
- In the event of a visiting student catching COVID and not being able to return home on the scheduled date, the parents will have to rearrange flights and liaise with Downe House. The other girl will still travel back on the scheduled date. Downe House to facilitate airport runs.
- In the event of a student returning a positive Covid test before the start of her exchange, the partner school will welcome her at a later date when she is fit to fly. The decision as to whether or not her fellow student will travel on the agreed date or delay her exchange will be taken on an ad hoc basis.
- Downe House will aid the visiting student in getting a PCR test and competing airport documentation (if applicable) before departure.
